Read: G.O.MS.No.747 Revenue dated 14.3.52.
From the Collr. of South Kanara Ref.C.2 ... 52 L.4 dated 17.12.52.

REFERENCE:--

Submitted to the Government.

2. The Board requests that the Government may be pleased to sanction the retention for a further period of one year from 1.4.53 of the posts of two Additional Taluk Surveyors now working in Puttur and Mangalore taluks under the sanction last conveyed in the G.O.read above.

3. The expenditure may be debited to "7 Land Revenue C. Land Records- A.. Maintenance of Ryotwari surveys".

4. The Collector of South Kanara is informed that his proposal for the permanent retention of the two Additional Taluk Surveyors has not been recommended to the Government as his report was not received in time. He is requested to submit proposals for making the posts permanent within the next six months.

For JOINT SECRETARY

The above two posts of additional Taluk Surveyors are in continued existence from the last ten years. Experience has shown that there is acute necessity for the permanent retention of the additional staff on account of the vast jurisdiction and the bulk of current maintenance and correspondence under assignment of lands and transfer of registry cases.

Taking an average of 5% under stone inspection and 1% under stone renewals and the average No. of Sub divisions measured for the last five years there would be at least 3 surveyors work in each taluk.

The permanent retention of the chainmen attached to the Additional Taluk surveyors Mangalore and Puttur was sanctioned in G.O.Nos. 2056 Revenue dated 4.8.51 and Ms.No.906 dated 25.3.52 respectively. The enclosed statement No.II shows the average No. of sub divisions and area to be measured in transfer of Registry and Darkhast cases.

I therefore request that the Board may be pleased to obtain Government sanction for the permanent retention of the Additional Taluk Surveyors Mangalore and Puttur as per instructions contained in G.O.No.780 Fin. dated 19.7.49 communicated with Board's Ref.W. 10142 50.1 dated 2.12.50.
